

Dear Colleagues:

Magee Scientific Corporation is moving! As of February 9, 2009, our main office location in the USA will be changed. Our phone/fax numbers and email addresses will remain the same. Please update your records accordingly.

The new facility is approximately three times larger than our previous one, providing separate, dedicated space for all of our needs. The new location will have a dedicated area for our partners and customers to receive hands-on tutorials and in-depth service training on all of our products. Feel free to contact us anytime for information or to schedule a visit.

The new location is easily accessible from both the San Francisco (SFO) and Oakland (OAK) International Airports using the Bay Area Regional Transportation (BART) system. Please contact us for detailed directions.

New Address:
2800 Adeline Street
Berkeley, CA 94703-2224 USA

Former Address:
2020 Stuart Street
Berkeley, CA 94703 USA

Thank you very much for your continued support. The new facility will help us to better serve your needs.

Best Regards,
The Magee Team
